

October Monthly Roundup at Foresolutions

EOS Conference 2025

Our leadership team attended the EOS Conference, gaining valuable insights and strategies to drive growth and innovation.

Renewed Company Values

We've refreshed our core values to better reflect who we are today and where we're headed as a team.

International Expansion

We've met with a new aviation sector reseller in Brazil who are exploring how our asset tracking technology integrates seamlessly into their existing tech stack.

Halloween Special Offers

Clients enjoyed exclusive Halloween promotions across our products and services.

Team Promotions

Congratulations to Fiona and Matt on their well deserved promotions!

Welcome to the Team

A warm welcome to Sarah Golds who has joined our marketing team!

Employee of the Quarter

We celebrated our Employee of the Quarter for their contributions and commitment.

Operators Licence and Partnerships

We're proud to announce our Operators Licence and new partnership with Aviate Engineering, expanding our capabilities.

New Airside Presence

Our brand new car signage is now live airside at Bournemouth, Woking and Edinburgh airports!

Preparing for Dubai Airshow

The team is gearing up for the upcoming Dubai Airshow, showcasing our latest solutions on the global stage.

Testing Wi-Fi network to support reliable activity

Nathan Williams and Tom Colombo tested the new Oxford Wi-Fi network, along with our latest Caltta DMR radio system and PTToc software on Zebra TC58 devices.
